E183013 „Project III“ - Conditions to get the assessment

Assessment

Gaining the assessment is governed by Article 9 of the Study and Examination Regulations for Students of the Czech Technical University in Prague from July 8, 2015. In order to obtain the Assessment from the subject, it is necessary to fulfil participation rules given by general conditions governed by General Decree of the Head of the Department, and to submit a technical report processed in the form of a project study to a given or selected topic according to the schedule. All assignments are focused on processing the project documentation of part of the production line. The depth of processing is specified depending on the assignment. Each report must contain several basic parts, in particular the block diagram of the material balance line, the technological diagram of the line, the machine-technology diagram of the part of the line, the example of the data sheet of the selected equipment, the economic assessment of the project, the description of the time requirements for the project.

This Decree is valid from 2nd October 2017.
