Conditions for Participation in Exercises, Tutorials, Project Courses and Seminars

General Decree of the Head of the Department

Gaining the assessment is governed by Article 7 of the Study and Examination Rules for Students of the Czech Technical University in Prague as amended, me as the Head of the Department, I set following conditions for participation during courses that are guaranteed by the Department of Process Engineering (12118):

Exercise, tutorials

Participation during exercises and tutorials is obligatory for all the subjects. One absence is tolerated during the semester. In agreement with the teacher, more absences (caused by serious reasons) can be solved individually by replacing the given exercise by homework or semetrial work.

Project courses

The form of teaching is set individually for project courses with the conditions for obtaining the credit by separate decrees.

Seminar

Attendance at seminars is obligatory with the tolerance of two absences during the semester.

This Decree is valid from 23rd September 2019.
