

Prague, 23rd September 2019

E181071 „Computer Aided Design“ - Conditions to get the assessment and pass the examination

Assessment

Gaining the assessment is governed by Article 9 of the Study and Examination Rules for Students of the Czech Technical University in Prague as amended. To obtain the Assessment from the subject, it is necessary to fulfil participation rules given by general conditions governed by General Decree of the Head of the Department as amended and to complete the calculations of all the examples that are discussed during exercises and submit them for review. These are four examples in Microsoft Excel and one example in given Process Simulation Software.

Examination

The course of the exam is governed by Art. 10 and the evaluation of Art. 11 of the Study and Examination Rules for Students of the Czech Technical University in Prague as amended. The exam is going according to the following scheme.

- *Written part:* 3 homework examples (1x CAD software, 1x MS Excel, 1x process simulation software)
- *Oral part:* discussion – review of the written part

This Decree is valid from 23rd September 2019.
